CODE of GOOD SPORTSMANSHIP

- Total team effort.
- Promote the ideals of good sportsmanship, ethics and integrity.
- Cheer for the Raiders, not against the opposition (this includes signs).
- Respect officials and their decisions. Games wouldn't be played without them.
- Win with humility (without boasting); lose with grace (without excuses or finger pointing); do both with dignity.
- Demonstrate respect for opposing fans, coaches and team members.
- Realize that a ticket is a privilege to attend an athletic competition and support Jackson Academy activities, not a license to verbally assault others or be generally obnoxious.
- Good sportsmanship should be contagious.
- Self control is a virtue.
- Be an exemplary role model by positively supporting and encouraging Raider team members and their coaches. Have fun promoting our teams.
- Be a fan ..... not a fanatic!
- Make good sportsmanship a conscious priority. It is simply the right thing to do.
- Do unto others as you would have others do unto you.

A MESSAGE FROM THE ATHLETIC DIRECTOR

Raider Nation,

As I enter my second year as Athletic Director at Jackson Academy, I'm filled with gratitude and anticipation for what's ahead. It remains an incredible honor to serve at one of the premier schools in the MAIS, where excellence in the classroom, on the field, and in life is the standard.

The success of our athletic program is built on the unwavering commitment of our student-athletes, coaches, and support systems. Their work ethic, sacrifice, and character—combined with the loyalty of our fans and the generosity of our boosters—create the foundation for our continued success.

The ultimate goal of the Jackson Academy Athletic Department remains clear: to provide each student-athlete with the opportunity to develop their athletic gifts while having a meaningful and positive experience. JA athletics are designed to teach life-long values, foster leadership, and promote a strong school community.

As we prepare for a new school year, I encourage all of us—coaches, athletes, and fans—to embrace the true spirit of champions. Sportsmanship must always be at the core of how we compete. I challenge everyone involved in JA athletics to not only strive for victory but to do so with integrity, humility, and class. Our Code of Good Sportsmanship is more than a guideline—it's a reflection of who we are and what we represent.

This year, we are excited to welcome Coach Henry Gantz as the new head coach of our Lady Raider Basketball program, following the remarkable legacy of Coach Jan Sojourner. We are confident Coach Gantz will continue the proud tradition of excellence in Lady Raider Basketball and help guide our student-athletes both on and off the court.

We are also proud of the leadership provided by our current head coaches and their outstanding assistants. Their commitment to developing young men and women of character is what truly sets JA apart. Additionally, the JA Athletic Booster Club continues to be a vital part of our success, contributing over $150,000 in support last year while helping create the best game-day atmosphere in the MAIS.

Thank you for trusting us with your student-athletes. Thank you for being part of this special community. And thank you for supporting JA athletics with your time, energy, and enthusiasm. I hope to see you often this year—cheering loudly, supporting proudly, and representing Raider Nation with excellence.

Go Raiders!

A MESSAGE FROM THE BOOSTER CLUB BOARD PRESIDENT

Dear JA Family,

Welcome back to another incredible year of JA athletics! Whether this is your first or your 15th year at Jackson Academy, we are excited to have you join us as Raiders! Sheffield Drive holds great memories for many families, and we are hopeful that this year creates many new happy memories for each of you.

The mission of the JA Athletic Booster Club (JAABC) is to support and enhance the athletic-centered extracurricular experience of all JA student-athletes, and we work tirelessly to live out this mission. From the upgraded weight room floor to a refurbished Raider Park to new training equipment like tackling dummies and tumbling mats, we are happy to assist in ensuring our athletes have the facilities and equipment needed to prepare them for competition. We are also proud to support our teams as they travel to events, train together for countless hours, and participate in championships. The JA culture is special, and it is a privilege to support our students as they grow not only as athletes but also as individuals – building character, learning teamwork, and developing resilience. The lessons learned in a Raider uniform will carry them well past the days of blue trophies and championship rings.

Supporting our athletes and enhancing the culture of JA athletics couldn't be accomplished without our JAABC members, sponsors, and volunteers. We are incredibly grateful to each of you for joining our cause and giving of your time and energy. If you haven't had the chance to join us yet, we encourage you to do so. Become a member, grab an All Sports Pass, or sponsor a JAABC event. Whatever your level of support, just get involved! Every contribution – no matter the size – is valued and appreciated. As parents of a former and a current JA athlete, we can testify to just how quickly the years pass. The days of working the concession stand and getting home late after road games and taking kids to early morning practices don't last forever, but the friendships made during these days are treasured.

We are excited to continue supporting our JA athletes and look forward to working with each of you. Thank you for your assistance in our efforts to show our student-athletes that their hard work does not go unnoticed and that their accomplishments, big or small, matter.

A MESSAGE FROM THE HEAD OF SCHOOL

Raider Family,

The 2025-2026 athletic year is upon us and I am excited about seeing our student-athletes compete, grow, and represent Jackson Academy with pride. We have an incredible group of coaches who not only teach the game, but also invest daily in the lives of our Raiders.

Once a Raider, always a Raider. I remember my athletic journey at Jackson Academy. While I was far from being a stellar athlete, the experiences and lessons learned from practices, games, wins, and losses made a lasting mark on me. I truly believe that the work ethic, responsibility, and camaraderie from being part of athletic teams at JA continue to influence who I am today.

At Jackson Academy we inspire and equip students every day, in and out of the classroom. Academics will always be at the heart of our mission, but we also believe that experiences beyond the classroom are essential to developing well-rounded young people. Athletics serve as a vehicle for teaching our students perseverance, resilience, humility in victory, grace in defeat, and the importance of putting the team above self. These are lessons that last far longer than any numbers on a scoreboard.

I want to say a big thank you to all the parents and volunteers who make JA athletics exceptional. I am especially grateful for the Booster Club and those who work tirelessly each and every day to put on events and allow for JA athletes to have the best facilities and equipment around.

As this new season begins, I invite everyone to come out and cheer on our Raiders. Let's fill the stands with encouragement and enthusiasm. Please review the Code of Good Sportsmanship and help us ensure that we have the most positive, inviting, and friendly environment for our fans, our visitors, and our Raiders!

Go Raiders!

THE ORTHO EXPERTS

We are the
Official Team Physicians of Mississippi High School Sports

Just like you would call a plumber for a leaky pipe or a mechanic for an engine problem, when it comes to your body, you need a true specialist. At Mississippi Sports Medicine, our doctors are subspecialized in specific areas of orthopaedics, each focusing exclusively on one field. This means they see thousands of cases like yours every year, bringing unmatched expertise and precision to your care.
